

National Tsing Hua University Award for Outstanding Conference Proceeding Papers of Students in International Conferences

1 Aims/ Goals:

The award is aimed to encourage master or doctoral students in NTHU to present papers and win awards in international conferences to improve academic reputation of NTHU.

2. Application period: Please refer to the announcement by Office of R&D in the middle of June every year. The application period is usually from July 1st to 31st, July.

3. Eligibility:

- (1) Applicants are requested to be master or doctoral students of NTHU when they present papers.
- (2) Every paper is restricted to be used to apply by one student. In principle the first author can represent the other co-authors to apply after getting their agreement.
- (3) The papers are requested to be presented in the name of National Tsing Hua University.
- (4) The presentation period of papers is restricted to August 1st in the previous year to July 31st in the current year.

4. Application procedures:

- (1) Applicants are requested to apply online and upload e-files of the following documents:
 - The full text or the abstract of the paper
 - The official document indicating that a paper has been accepted for presentation at a conference
 - Certification of Award
 - The recommendation letter of the faculty adviser
 - Other documents that could assist the evaluation of the application
- (2) Print out the Application Form 、Receipt 、Agreement of Remittance enclosed a copy of the cover of your bank passbook (only in the cases of fresh graduates in this year), and submit them to Office of R&D.

5. After passing the review, the representative applicant will be awarded the incentives and the certification. The other co-authors will be awarded the certification. The amount of the incentives depends on the budget.
